DISCOUNTS TO THE TRADE

From Prices quoted in our Retail Catalogue.

If you have not already received a copy of our Retail Catalogue for 1896, please drop us a card and it will be sent quickly. Small orders for seeds in packets, etc., which cannot be billed at the low bulk prices given in this Trade List will be invoiced as follows:

ALL SEEDS IN PACKETS, excepting Cupid Sweet Pea, at 50 per cent. discount. 500 packets or more at 60 per cent discount.

Seeds by ounce, pint, or quart, 33⅓ per cent. discount.

Potatoes by the pound, or Potato Eyes, 40 per cent. discount.

Plants in Collections, 20 per cent. discount.

Books on Garden Topics, 25 per cent. discount.

At the above liberal rates of discount the goods must travel at purchaser's expense, and if by mail, postage will be added to the invoice.

A. W. LIVINGSTON'S SONS,

COLUMBUS, OHIO.

TO DEALERS.

COLUMBUS, OHIO, January 1, 1896.

The quotations in this list are intended for **Dealers Only**. We expect to bill at prices given as far as possible, but should any of our stocks run short we reserve the right to decline orders or advance prices without notice. **We do not put out Vegetable Seeds on Commission.**

At the prices quoted, customers must pay cost of forwarding. When desired we will send by mail, but when this is done postage will be added to invoice at the rate of 8c. per ponnd or 15c. per quart. Half pounds will be supplied at pound rates; half bushels at bushel rates.

See our Retail Catalogue of True Blue Seeds for prices of all varieties by packet, on which we allow Dealers a Discount of 50 per cent., except on such packets as are quoted in this list.

TERMS OF CREDIT. To regular customers and well known business houses:

All general bills of Garden Seeds are payable June 1, 1896, without reference to date of purchase; or a discount of one per cent. a month will be allowed on all payments made before June 1. Unknown correspondents desiring credit must give satisfactory reference.

Shipping directions should accompany each order, and will be carefully observed. In absence of same, however, we will use our best judgment as to route.

We do not supply "cheap seeds," and therefore do not try to compete in price with those who handle them. We furnish the Trade exactly the same quality of seeds that we send to our best Market Gardeners. They are grown either by ourselves or subject to our inspection; hence we feel no hesitancy in saying that they are the purest and best to be found. At the same time, however, it must be distinctly nnderstood, since the success of a crop is dependent upon so many contingencies, as condition of soil, mode of planting, climate, etc,, that we cannot warrant our Seeds or hold ourselves responsible for any loss or damage arising from any failure thereof.

LIVINGSTON'S

Celebrated Tomato Seeds

,,,.FOR....

RETAILERS.

IN SEALED PACKAGES ONLY.

FOR the protection of the honest merchant and the grower who desires only true stock of our Tomatoes, we have for several years followed the plan of supplying **Our Celebrated Varieties of Tomato Seeds** in **Sealed** packages **Only**; and hence every package of the **Livingston** varieties of Tomatoes grown at headquarters will be sent out under our **TRUE BLUE SEAL.**

Twenty-three years ago we originated our **Paragon**, which was the first perfectly smooth, **red** variety known. Five years later we introduced the **Acme**, the first perfectly smooth, **purple** sort known. Since the advent of these sorts we have brought out consecutively the **Perfection, Golden Queen, Favorite, Beauty, Potato Leaf, New Stone, Royal Red, Aristocrat, and New Buckeye State.** As originators and introducers of these sorts we use the most assiduous care in growing the Seeds, and, although these same varieties are extensively advertised by other dealers, yet we do not hesitate to claim **superiority for our headquarters strains.**

We annually supply a great many merchants in all parts of the United States with our Tomato Seeds put up in packages for retailing, and it is a uniformly satisfactory and successful method, in as much as it affords a dealer's patrons positive evidence that he is selling the genuine article.

To those who have never handled our Seeds, we therefore respectfully suggest the propriety of trying our plan.

PRICES.

For putting up in 1 oz., ¼ lb., and pound packages, we make no extra charge above prices quoted by pound on opposite page.

Packets for retailing at 5 and 10 cents are supplied to dealers at half price.

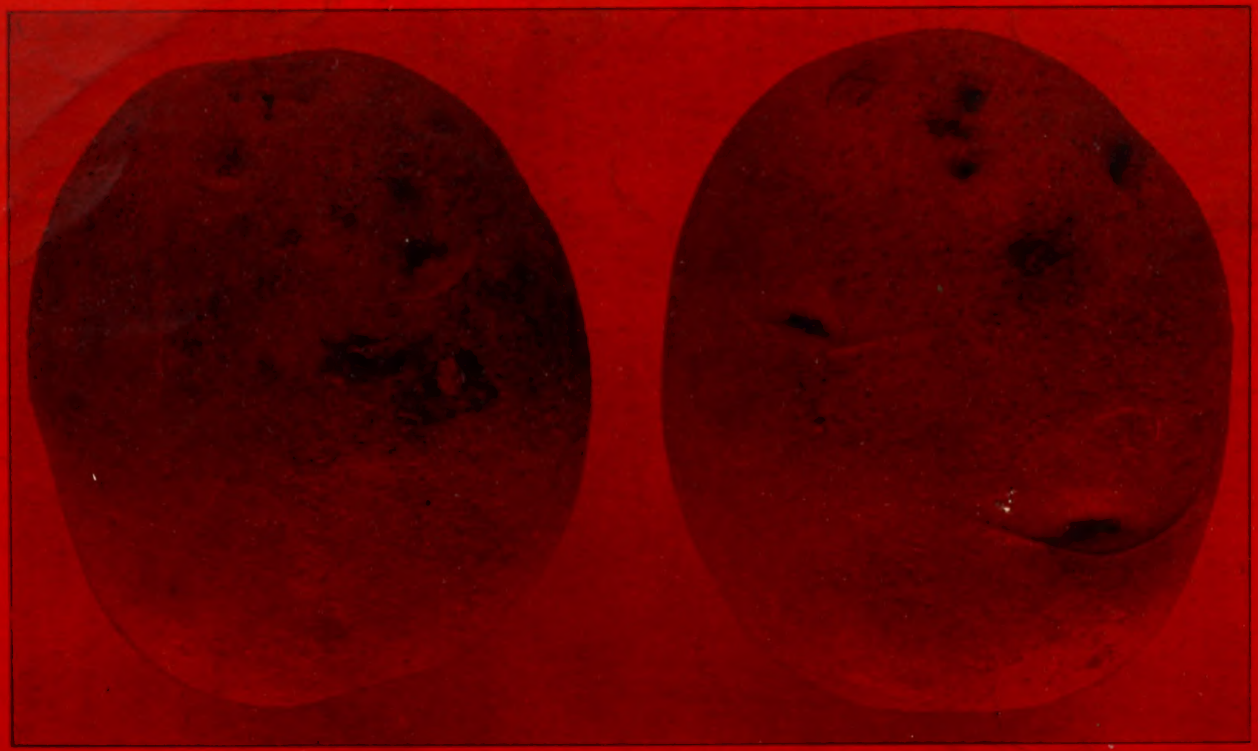
LIVINGSTON'S NEW BANNER POTATO.



We have only room here to show the above illustration of a photograph of this grand new Potato, and to request our friends to read carefully all we have to say about it in our catalogue. It has beyond all question a longer list of good points than any other sort. **Per bbl., $3.00.**
